
GAIN COMPLIANCE CONFIDENCE – ONECOMPLIANCE ASSESSMENT

Are you confident that your company is in compliance with the increasingly complex myriad of employee benefit laws and regulations? Not quite?

Well, we can help! Contact your OneDigital Representative today about the OneCompliance Assessment.

What is the OneCompliance Assessment?

The OneCompliance Assessment is a self-assessment questionnaire for clients of all sizes that will diagnose your compliance issues. Each assessment is tailored to your organization's size, business type, plan offerings, and funding arrangements.

What Does the OneCompliance Assessment Cover?

Where applicable, the assessment will check your compliance with:

- ERISA
- Group Health Plan Mandates
- COBRA & State Continuation
- HIPAA Privacy & Security
- Nondiscrimination Rules
- Wellness Rules
- Affordable Care Act
- Tax-Advantaged Plan Rules
- Documentation Requirements
- Reporting Requirements

How Does the OneCompliance Assessment Diagnose Our Issues?

Based on your responses, upon completion of the assessment, you will receive results in the form of a scorecard that identifies:

- Level of Compliance Confidence by Section
- Problem Area Ranking
- Areas Not in Alignment with Best Practice
- Areas Needing Immediate Attention

Will OneDigital Help Us Resolve the Issues Identified in the OneCompliance Assessment?

Along with your scorecard, the assessment results will contain a report identifying best practices, proper steps to comply with the law, risks and penalties of noncompliance, and resource materials for the client to retain.

Your OneDigital representative, with support from our dedicated team of compliance experts, will help walk you through any necessary corrective actions.

What is the fee for the OneCompliance Assessment?

We want our customers to have great experiences, so we surround ourselves with the most robust resources we can to make sure that happens every day. We thrive on meeting new challenges and exceeding expectations at every opportunity, and it's this can-do spirit that has fueled our desire to provide our clients with peace of mind via our OneCompliance Assessment at no additional fee.
